Independent Auditors Review Report on the Quarterly Unaudited standalone Financial Results of the Company pursuant to the Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

Review Report to **Board of Directors of**
SHAH ALLOYS LIMITED,
Ahmedabad.

We have reviewed the accompanying statement of unaudited standalone financial results of **SHAH ALLOYS LIMITED** (the "company") for the quarter ended June 30, 2025 (the "statement") attached herewith, being submitted by the company pursuant to the requirements of Regulation 33 of the SEBI (Listing obligations & Disclosure Requirements) Regulation, 2015, as amended (the listing regulation).

This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34, "Interim Financial Reporting" ("Ind AS 34") prescribed under section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulations 33 and 52 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India (ICAI). This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free from material misstatement. A review of interim financial information consists of making inquiries, primarily of the

Company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis for Qualified Opinion

1. *For the Quarter ending on 30th June, 2025, the company has continued its practice of not making any provision of interest on loans from banks. Had the company made the provision of interest on loans from banks for the quarter ended on 30th June, 2025, the loss for the quarter would have been higher by Rs 36.55 lakhs and current liabilities would have been higher to that extent.*
2. The Company has not assessed the impact of Effective Interest Method to the finance cost as per the requirement of Ind AS 109 'Financial Instruments and hence, the effect of the same, if any, on the financial results is not identifiable therefore, we are unable to comment upon its impact on the financial results for the quarter ended 30th June, 2025.
3. The Company has not evaluated the provisioning requirement of a loss allowance on its financial assets so as to give impact of impairment if any as per the expected credit loss method as per the requirement of Ind AS 109 'Financial Instruments' and hence, the effect of the same if any on the Financial Results is not identifiable therefore. We are unable to comment upon its impact on the financial results for the quarter ended 30th June, 2025.
4. For the quarter ended on 30th June, 2025, the company has not made Impairment of entire Capital Work in Progress. Had the Company made the Impairment of entire Capital Work in Progress for the quarter ended on 30th June, 2025, the loss for the quarter would have been higher by Rs 900.50 lakhs and Capital Work in Progress would have been lower to that extent.

Based on our review conducted except for the possible effects of the matter described in the Basis for Qualified Opinion as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard ("Ind AS") specified under section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulations 33 and 52 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Material Uncertainty Related to Going Concern

1. The company in its board meeting dated 21.07.2025 had declared closure of its existing Iron and Steel plant considering the technology obsolescence and increasing higher production cost due to which there is a persistent loss since last couple of years and draining the resources of the company and accordingly the Iron and Steel plant situated at Vill. Santej, Tal. Kalol, Dist. Gandhinagar, in the State of Gujarat has been shut down and as per the management, the closure of the operation is expected to be completed by end of August 2025. In view of this position, we are unable to give our opinion on the "going concern" status of the company. However, as per the representation made by management, the company is exploring various options in the best interest of the company and on that basis, the provision for impairment of the assets has not been made by the company during the quarter ending on 30.06.2025 and the accounts have been prepared on a "going concern" basis.

Our opinion is not modified on the above matter.
